Friday	Avocado eggs	Beef burrito bowl	Turkey meatballs	Greek yogurt
Saturday	Protein pancakes	Chicken pita	White fish, potato	Banana + peanut butter
Sunday	Overnight oats	Salmon salad	Chicken curry rice	Mixed nuts

Hydration + Coach Notes

- Drink 2.5 to 3 liters of water daily. Add electrolytes on heavy training days.
- Keep protein consistent at every meal. Swap proteins only with similar lean portions.
- Take progress photos and body weight check-in every Monday morning before breakfast.

Meal Details + Portions

Use these portions as the baseline. Adjust only after coach review.

Breakfast: Protein Oats

Rolled oats	55 g
Whey protein	1 scoop
Blueberries	80 g
Peanut butter	10 g
Cook oats with water, mix protein after cooling slightly, top with berries and peanut butter.	

Lunch: Chicken Quinoa Salad

Chicken breast	150 g cooked
Quinoa	120 g cooked
Mixed greens	2 cups
Olive oil dressing	1 tbsp
Keep dressing measured. Add lemon, herbs, cucumber, tomato, and salt to taste.	

Dinner: Salmon Rice Plate

Salmon fillet	150 g
Jasmine rice	160 g cooked
Broccoli	1.5 cups
Avocado	50 g
Bake salmon at medium heat, steam broccoli, and keep rice portion consistent.	

Snack: Recovery Shake

Whey protein	1 scoop
Banana	1 medium
Unsweetened almond milk	250 ml
Cinnamon	optional
Use after training or as the afternoon snack on rest days.
